BOARD OF HEALTH'S REPORT.

The town has been remarkably free from contagious diseases the past year. In August a mild case of Scarlet fever was reported.

A prevalence of whooping cough during the fall and winter has been the most serious disease.

The dumping ground has been cared for as in years past.

REPORT OF GEMETERY TRUSTEES.

As shown by the report of the treasurer, quite a sum has been expended in fertilizing barren lots and improving the general appearance of the cemetery. This must be done yearly if we are to have it look tidy and not neglected.

Parties who are intending to take lots in the new part would do well to make selections while there are many desirable ones available.

We earnestly urge the town to make a small appropriation for the purpose of improving and beautifying the vacant land between the old and new parts of the cemetery.

Trustees' Report.

It is most gratifying to report an increased interest in the library.

We have been able to add some much needed furnishings.

On November 27th the Greenville Woman's Club presented the trustees with \$35.60, (the proceeds of a public entertainment) directing that the sum should be spent as best seemed advisable. The following expenditure was made: two bas-reliefs of Thorwaldsen's, "Day" and "Night," and three busts representing music, poetry and literature, Beethoven, Holmes and Dickens.

Two other gifts are most worthy of mention. A picture of Cologne Cathedral, presented by Mrs. W. B. Stearns and "Shakespeare and his friends," presented by Mrs. Frank Whiting.

The trustees heartily thank these donors for their generosity.

Report
of the
School Board
of
Greenville, N. H.

SCHOOL BOARD'S REPORT.

To the citizens of the town of Greenville, N. H. the School Board presents the following report of the schools for the past year.

The schools have had the usual session of 36 weeks.

The year opened March 8th with 108 pupils, Miss Rosie B. King as teacher in the Grammar room, Miss Alice W. Batchelder in the Intermediate room, Miss Stella M. Davis in the Primary room, and Miss Martha M. Whitney in the lower Primary room. Two of the above named were Normal graduates.

The schools assisted in the Memorial Day exercises as usual.

On June 6th Rev. J. W. Tingley delivered the Baccalaureate sermon to the graduating class in the Baptist church.

On June 11th the graduating exercises were held in the schoolhouse, many parents, friends and interested citizens being present.

Diplomas were awarded by Mr. C. A. Preston, chairman of the Board. The class consisted of six members, Hazel Kimball, Guy C. Arnold, Harold E. Tingley, Alice F. Tenney, Howard E. Greene and Leslie M. Batchelder.

The work in music under Miss Annie P. Stevenson, and in drawing under Mrs. Fannie A. Wheeler has been carried on as usual.

In accordance with the State law, Mr. H. I. Whitney was elected truant officer, and later made the enumeration of children as required by Chapter 46, Laws of 1895 of the State of N. H., as amended by Chapter 91, Section 1, Laws of 1905 with the following result:

Number of children between the ages of 5 and 16,	318
Boys,	142
Girls,	176
Number between the ages of 10 and 16 not able to read and write in the English language,	2
Number of latter born in N. H.,	2
Number between the ages of 5 and 8 who do not regular- ly attend school,	12
Number between the ages of 8 and 14 who do not regular- ly attend school,	6
Number between the ages of 14 and 16 who do not regular- ly attend school,	19

During the vacation the building was well cared for. Painting was done where needed, desks were varnished, radiators and pipes regilded, and floors oiled, thus keeping it in excellent condition.

On August 6th at 2.30 P. M. a meeting was held in the selectmen's room, at the request of State Supt. Morrison, who was present himself to discuss with the School Boards of Temple, New Ipswich and Greenville the advisability of forming a supervisory district. After much discussion, the matter was dropped, as not being practicable at the present time at least.

The Fall term opened on Sept. 7th with 118 pupils, the

largest number in attendance for many years. Later this was increased to 128. Instructor in the Grammar room, Miss Lottie M. Harriman, Intermediate room, Miss Lena F. Walker, Primary room, Miss Florence R. Foskett and in the lower Primary room, Miss Martha M. Whitney. Miss Harriman and Miss Foskett are graduates of the Plymouth Normal School and Miss Walker of the Fitchburg Normal School.

Eighteen pupils have been in attendance at Appleton Academy since September.

The contract was renewed, but there was an increase in the tuition from \$30.00 to \$36.00 a year per pupil.

As has been our custom in previous years, we have paid our proportion of the expense of No. 6 school in Mason.

On October 22nd the teachers were given a visiting day that they might attend the N. H. State Teachers' Association held at Concord.

A recess was given as usual at Thanksgiving and the schools closed on December 17th for a three weeks vacation, opening again on January 10th for the winter term.

Two sessions were lost during this term due to the inclemency of the weather.

February 22nd was observed as a legal holiday.

The winter term closed on February 25th, 1910.

The following pupils are entitled to a place
